

Salvation Card with a TEXT Follow Up Feature

Salvation Card is a simple tool that you can use to equip your congregation with. It is designed to empower everyone, even the newest believers, to share their faith whenever an opportunity arises. When folded, it is the size of a business card and can be easily carried in a wallet. It contains a simple salvation prayer and next steps for a new believer to take.

What makes this tool innovative and effective for churches is the ability for a person who just received Christ, to text "SAVED" from their phone to a dedicated number and immediately receive materials for next steps in their faith, while the church can capture contact info of that person for future follow up.

Please contact info@dosomethingchurch.org if you are interested in learning how to set up such a follow up process for your church.

IT'S AS SIMPLE AS A - B - C

Father, I **A**dmit that I am a sinner and that my sin has brought death and destruction into my life, my relationships with people and God.

Romans 3:23, 6:23

I **B**elieve that Jesus died for my sin and that His death paid the penalty for my sin.
Romans 5:8

I **C**onfess or agree that Jesus is Lord, that He died and rose from the dead and is able to forgive me of my sin.
Romans 10:9-10

Jesus I trust that You love me and can hear my prayer. By faith I ask You to please forgive me and fill me with The Holy Spirit. I surrender my life to you.

**I pray this in Jesus' name,
Amen**

Text "**SAVED**" to **59769** to receive daily encouragement from Pastor Miles McPherson.
